

PUBLIC DISCUSSION ON Ontario's Early Years and Child Care Strategy

Hosted by the Honourable Indira Naidoo-Harris
Associate Minister of Education, Early Years and Child Care

Ontario is building a high quality child care and early years system that is more accessible, affordable and flexible.

We want to hear from expectant parents, as well as parents and guardians with children under 12 years of age with ideas that will help us meet this goal.

Come out and join the conversation!

November 8, 2016

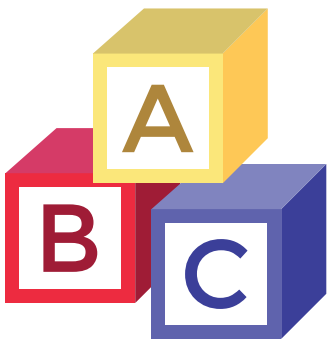

Moosonee
